**Tri-Valley Triangle Study
Technical Advisory Committee**

Meeting Notice

Tuesday, March 8, 2005

9:00 AM

Dublin City Offices

100 Civic Plaza

Dublin, CA 94568

Agenda

1. Introductions

2. Modeling for the Study

Discussion/Action

- 1) Travel Demand Model: The consultants will provide a status report on the progress of updating/modifying the Tri-Valley/Dublin/CCTA travel model. The consultants plan to have some initial plots of the network completed for review. The TAC will be asked to review a list of projects to determine whether they should be included in the analysis. Other data such as land use summary information for the base and future build out household and employment will be presented if completed at the time of the meeting.
- 2) Operations Model: The TAC heard a presentation on the operating characteristics of the Vissum/Vissim models on February 23. This is a follow-up discussion on the merits and selection of the operations model for the Triangle Study. The consultants will review the operating characteristics of the potential operations model and the factors that are needed to complete the Triangle Study. The TAC is requested to recommend the operations model to be used in the study.

3. PAC Meeting on April 1, 2005

The Policy Advisory Committee is scheduled to meet at 2:00 PM on April 1, 2005. The TAC, consultant team and staff will discuss the items for the agenda.

4. Next TAC Meeting

The date of the next TAC meeting will be determined by the group. Please bring your calendars.
